

**President's Report**

Hello -Hi – Bonjour – Hallo – Ciao – Da duit – Helo - Hola  
Oh – I think that's enough of saying hello – one of those is my mother's Native tongue  
But which one is it do you think?

Anyway – here we are again – and I find the urge to write another Presidents Report.  
Well – I need to bring everyone up to speed I guess.  
The Committee has had a quick – last minute - Committee Meeting to discuss where we go  
moving forward – ok – whatever we do – we will be doing it slowly and cautiously.

First of all – we had recently extended all Financial Members by two months – due to nothing  
changing and we are unable to offer dances or Club Nights – Now we have made the decision to  
extend this by another three months.

Secondly – yes – we dearly wanted to hold our Christmas Dance – but sadly we can't – we need  
to put safety of our members first.

And – yes – thirdly – sorry to say we are **postponing** our Junior Club Champs.  
We have had word today that they are still working on the 2022 Junior Nationals – ticket  
notification came out just this morning – yay – a positive step forward – so – we will work on  
something for the Juniors in the New Year.

**MY CHALLENGE**

Thank you to Kirsty for stepping up to the Challenge and posting a video of herself dancing with  
“slim” – her vacuum cleaner to our Facebook Page. Now – this challenge has gone Nationwide –  
so another club may also enter – and – the cut of date for entering is November 15<sup>th</sup> – get your  
glad rags on – and don't forget to dress your “partner” and get posting people.

Your El Presidente - Linda

The Committee has decided to extend **ALL CURRENT FINANCIAL MEMBERS** membership by another **THREE MONTHS**.  
That's right – you read it here first!  
Joining a club and becoming a member is all about supporting that club.  
We want to give something back to you.
